

**REMARKS**

In accordance with the foregoing, claims 9 and 10 has been amended. Claims 1-20 and 23 are pending and under consideration.

The sole issue remaining in this application is an indefiniteness rejection of claim 9. The Examiner objects to the phrase "the predetermined number of pictures." This language has been replaced with - - each picture - -. The language in amended claim 9 now corresponds with the language with allowed claim 23.

The Examiner indicates that claims 10-20 also contain allowable subject matter. There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
